**CERTIFICATION statement**

This is to certify that plants, products or other regulated articles described herein have been inspected and/or tested according to appropriate official procedures and are considered to be free from quarantine pests specified by the importing contracting party and to conform with the current phytosanitary requirement of the importing contracting party, including these for regulated non quarantine pests and lasioderma serricorne.  
They are deemed to practically free from other pests.

This certificate is valid where the phytosanitary and physical integrity of the produce has been maintained prior export
